

**WEST SOUND**  
WATERSHEDS COUNCIL

West Sound Watersheds Council  
August 7, 2018  
9:30am – 12:30pm  
Port Blakely Room #370  
Kitsap County Administration Building  
614 Division St. Port Orchard, WA

### Meeting Agenda:

- 9:30am **Welcome and introductions – Kirvie**  
Review agenda  
Review draft meeting notes February 13, 2018
- 9:45am **Updates**
- Lean Study survey – *Kathy*
  - Salmon recovery updates – *Tom*
  - Steelhead Recovery Plan – *Tom*
  - Salmon Recovery Council – *Kirvie*
  - 2018-2022 Puget Sound Action Agenda – *Kirvie*
- 10:45am **Review and approve draft habitat project list – Kirvie**  
Action: Approve draft habitat project list for 2018
- 11:00am *Break and move cars*
- 11:15am **Springbrook Creek Watershed Assessment presentation – Brenda Padgham**
- 11:50am **Local Integrating Organization (LIO) and West Sound Watersheds Council (WSWC) collaboration – Kirvie**
- 12:10pm **Roundtable announcements – all**
- 12:30pm Review action items and adjourn

WEST SOUND  
WATERSHEDS COUNCIL

West Sound Watersheds Council  
February 13, 2018  
9:30am – 12:30pm  
Port Blakely Room  
Kitsap County Administration Building  
Port Orchard, WA

**Meeting Purpose:** The purpose is to provide updates and discuss 2018 tasks and work plan.

**Meeting Goal:** The goal is to approve a recommended plan for 2018.

### Meeting Agenda

Time	Topic	Material(s)	Lead
9:30	Welcome and introductions Review agenda		Brittany
9:45	Capital Budget Update <ul style="list-style-type: none"> <li>West Sound funded projects</li> <li>Brian Abbot Fish Barrier Removal Board – Golf Club Hill Road culvert replacement and floodplain restoration</li> </ul>	2016 and 2017 project lists	Amber Tom/Brittany
10:15	2018 Work plan <ul style="list-style-type: none"> <li>2018 Grant round</li> <li>2017-2019 PSAR</li> <li>2019-2021 PSAR project list</li> <li>2019-2021 PSAR large capital projects</li> <li>Steelhead Recovery Plan</li> <li>Strategies update/development</li> <li>Site visit date is May 7<sup>th</sup></li> </ul>		Tom
11:00	Break		
11:15	Strategies update		Tom
11:40	4-Year Workplan – Habitat Work Schedule		Kathy
12:00	Information sharing		All
12:15	Updates <ul style="list-style-type: none"> <li>West Central LIO near term actions review</li> <li>LIO and LE outreach to member jurisdictions</li> <li>Shore Friendly Kitsap program</li> <li>PSRC <a href="#">Draft Regional Open Space Conservation Plan</a></li> <li>Hirst decision: new requirements for building permits supplied with well water (<a href="#">Ecology Q&amp;A</a>)</li> </ul>		Kirvie

## West Sound Watersheds Council

February 13, 2018

Port Blakely Conference Room

Kitsap Administration Building, Port Orchard, WA

### Meeting summary

Attendees:

Name	Organization	Name	Organization
Renee Johnson	Washington State University Extension-Kitsap	Cailin Mackenzie	Washington State University Extension-Kitsap
Kathy Peters	Kitsap County – Community Development	Teresa Smith	City of Bremerton
Marty Ereth	Pierce County	Chance Berthiaume	City of Bremerton
Amber Moore	Puget Sound Partnership	Katy Doctor	NOAA Fisheries
Tom Ostrom	Suquamish Tribe	Deb Rudnick	Bainbridge Island Watershed Council
Kirvie Mesebeluu-Yobech	Kitsap County – Community Development	Brenda Padgham	Bainbridge Island Land Trust
Jeanette Dorner	Mid Sound Fisheries Enhancement Group	Jim Aho	Illahee
Dave Ward	Kitsap County	Joleen Palmer	Stillwaters Environmental Center
Amee Bahr	RCO Salmon Recovery Funding Board	Nancy Sandburg	NAVFAC US Navy Kitsap Bangor
Carin Anderson	Kitsap Conservation District	Jonathan Decker	Great Peninsula Conservancy

### Capital budget update

- The Legislature passed the budget January 18, signed by Governor on January 19<sup>th</sup>
- PSAR \$40M
- Projects approved for PSAR 17-19
  - Curley Creek Acquisition - \$236,225
  - Finn Creek Restoration Design - \$34,671
  - Purdy Creek Fish Passage Feasibility at 160<sup>th</sup> St NW - \$76,000
  - Huge Creek Fish Passage Construction at 160<sup>th</sup> St - \$600,000
  - East Fork Rocky Creek Acquisition - \$44,118
- Project approved for 2017 SRFB
  - East Fork Rocky Creek Acquisition - \$16,677
  - Point No Point Restoration Reconnection Feasibility Study - \$59,212
  - Kitsap Shoreline Armor Removal - \$20,000
  - Ross Creek Estuary Acquisition Feasibility - \$17,000
  - Fleming Fish Passage and Restoration Feasibility - \$88,450
  - Chico Creek Confluence Restoration Design - \$65,000
- Brian Abbot Fish Barrier Removal Board
  - Golf Club Hill Culvert Replacement - \$3.42M

## 2018 Work Plan

- WSWC made decision to NOT solicit for new projects and fund down list of projects approved in 2016 and 2017
- WSWC made decision to solicit for PSAR Large Capital projects only
  - Projects costing more than \$1M
  - Pre-proposals due April 30<sup>th</sup>
  - High priority projects will submit final proposals
- Brief update from sponsors about projects approved for funding
  - East Fork Rocky Creek Acquisition – on track to receive funds to complete acquisition
  - Kitsap Creek at Northlake Way Preliminary Design – will check if project cost can be scaled down from \$152,200 to \$101,000
  - Kitsap Nearshore Restoration and Armor Removal Project – ongoing work to identify projects and welcome new interested landowners, have few incentives left that expire end of 2018, still need money to continue program to remove shoreline armoring and restore nearshore
  - Little Manzanita 1 Protection and Restoration – no changes to scope of work, ready to implement project when funding becomes available
  - Little Manzanita 2 Protection and Restoration – no changes to scope of work, ready to implement project when funding becomes available
- *Action items: Kirvie will send out PSAR Large Cap project solicitation; TAG will discuss projects during March 13<sup>th</sup> meeting*

## Strategies Update

- Strategies sub-committee has met several times to begin work to update freshwater and nearshore strategies for salmon recovery
- TAG and strategies sub-committee will continue efforts throughout the year to update freshwater and nearshore strategies
- Topics by month
  - Floodplain, fish passage – May 8<sup>th</sup>
  - Riparian, channel complexity – July
  - Sediment, hydrology, invasive species - September
- Need to identify goals and objectives for each strategy, could look at West Central Local Integrating Organization (LIO) Ecosystem Recovery Plan (ERP) which identifies goals and objectives; ERP goals push to establish baseline conditions and setting numeric goals
- Identify areas of focus: (may be through) geography, population, category or strategies
- Challenge: need to identify priorities south of Gig Harbor; Marty Erath knows plans that identify priorities in this area and will help with strategies updates
- May be more efficient to work in smaller groups with focused expertise in each strategy discussion and development

## Four Year Workplan

- Draft is complete and submitted. Partnership will create public format in Smartsheet. Can continue to update and refine list of projects.
- Narrative indicated no updates to Chinook Recovery Chapter; we're focusing on strategies update in 2018.

### **Information Sharing**

- Jim Aho - Illahee wetland delineation, working with Department of Natural Resources
- Need Wild Fish Conservancy water typing data incorporated into DNR data layers – proposal to write a letter to Public Lands Commissioner
- Need local jurisdictions readily able to incorporate new stream data into maps

### **Updates**

- West Central LIO near term actions (NTA) review and feedback loop is in process.
- LIO and LE outreach to member jurisdictions (cities, counties, tribes) is underway. Communicating and engaging elected officials about Puget Sound recovery and salmon recovery is important.
- Shore Friendly Kitsap program is active and seeking interested landowners who wish to restore their private shoreline through bulkhead removal
- PSRC Draft Regional Open Space Conservation Plan released for public review
- Hirst decision

**Adjourned - 12:30pm**

DRAFT

**West Sound Watersheds Council**

**2018 Draft Habitat Project List**

Project Number	Project Sponsor	Project Name	Grant Request	Sponsor Match	Proposed 2018 Salmon Funding	Proposed 2019-2021 PSAR Funding	PSAR Large Capital Project	Total Project Cost
16-1589	Great Peninsula Conservancy	East Fork Rocky Creek Acquisition	\$227,500	\$81,000	\$166,705			\$227,500
18-1838	Bremerton Public Works	Northlake Way Prelim Design	\$101,000	n/a	\$101,000			\$101,000
18-1471	Bainbridge Island Land Trust	Little Manzanita 1 2018	\$372,500	\$124,400		\$372,500		\$496,900
18-1472	Bainbridge Island Land Trust	Little Manzanita 2 2018	\$382,500	\$127,490		\$382,240		\$509,990
18-1837	Kitsap County	Kitsap Nearshore Armor Removal Design and Readiness	\$231,440	\$41,115		\$231,440		\$272,555
18-1470	Kitsap County	Harper Estuary Armor Removal and Bridge	\$3,585,719	\$800,000			\$3,585,719	\$4,325,719
<b>Total</b>					<b>\$267,705</b>	<b>\$986,180</b>	<b>\$3,585,719</b>	<b>\$5,933,664</b>

Estimated 2018 SRFB allocation ~ \$266,000

Estimated 2019-2021 PSAR allocation ~ \$990,000
