

Harper Park Interpretive Sign Survey

In March 2020, Kitsap County launched a community survey aimed to inform the development of interpretive signs and displays at Harper Park. The survey presented broad themes and asked participants what topics for each theme they would like to see represented in the park.

What We Heard!

NATURAL HISTORY

Wildlife identification
Migratory patterns
Importance of estuary and shoreline

HUMAN HISTORY

Harper Brick & Tile
Tribal camps and villages' use & maintenance of land

RECREATION

Water Trails & information on currents
Hiking trails
Sports & climbing

OTHER

Artwork (Pottery, Native artwork, art to show the history)
Volunteer opportunities

If you have any questions about interpretive signs and displays at Harper Park or if you would like to be involved in the process, please contact Carmen Smith at ccsmith@co.kitsap.wa.us.

Thank you for your participation!
