

# Harper Estuary

RESTORATION & PARK PLANNING

## Community Engagement

Key to the success of Harper estuary restoration and park planning is to encourage neighbors to participate and help shape outcomes.

### Community Engagement and Outreach Goals:

- ✓ Build from previous participation
- ✓ Use varied ways to welcome input & involvement
- ✓ Centralize project data and provide clear information

## Upcoming Opportunities to Get Involved

### Come to Harper Park

Walk-shop:  
Saturday 2/9/19   
at 10 AM

*Let's discuss Harper Park improvements*

Attend   
Community  
Conversations  
(an open house,  
workshop,  
educational walk)  
being planned for  
Feb - June 2019

Write a   
comment,  
volunteer,  
become a  
steward,  
contribute to  
improving Harper

*Various public outreach activities for grant work are being planned from now into the summer.*
